

## Image Consent and Release

Columbus Speech & Hearing is a 501(c)(3) nonprofit organization serving the central Ohio community. Our mission is to unlock potential for individuals with communication challenges through all stages of life.

To continue providing services to those in our community, regardless of their ability to pay, we rely on the generous support of donors, grants, sponsorships and more. In order to reach new audiences, apply for grants and share our message with others, we often utilize images and stories from those who directly benefit from our services to show the impact the Center has had on their lives.

Please fill out the below form to let us know if you are comfortable letting us take photos of you/your child for marketing and fundraising purposes.
