

JOB OPENING:

Part-Time Clinical Audiologist

The individual will provide diagnostic audiologic services and aural rehabilitation/habilitation, including amplification and counseling to children and adults within the Center and outside the Center. The clinical audiologist may also provide group aural rehabilitation therapy for adventitiously hearing impaired adults or for those individuals obtaining amplification through our Hearing Aid Program.

**This is a variable hour position--typically 30-hours per week. Hourly schedule can be somewhat flexible; however, availability on Tuesdays and Thursdays is necessary.

RESPONSIBILITIES AND AUTHORITIES

- Act as a case manager for those patients to whom he or she has been assigned
- May organize and conduct community consumer educational or aural rehabilitation seminars at the Center and outside the Center
- Will carry out policies and procedures as described in the Audiology Policies and Procedures
- Shall accept responsibility for special projects as assigned by the Assistant Director of Audiology as time allows (public relations work, speaking engagements, in-services, donor hearing aid program, etc.)
- Will be available for patient appointments during regularly scheduled clinic hours
- Will be responsible for completing hearing evaluations, hearing aid fittings and further programming at senior centers through our Senior Option program
- Will attend general staff meetings, continuing education training

EDUCATION, EXPERIENCE AND SPECIAL ATTRIBUTES

- The clinical audiologist shall minimally hold a Master's in Audiology.
- The clinical audiologist must hold or be actively working toward obtaining a license in Audiology from the Ohio Board of Speech-Language Pathology and Audiology
