# We Improve Communication for Life

*We've been serving the unique communication  
needs of central Ohioans*

**since 1923.**

Our experienced team of highly skilled professionals  
provides personalized care to meet your family's  
unique needs.

*"We have enjoyed a long relationship with Columbus Speech & Hearing. All of their SLP's have been terrific and fit in as if one of our own. They are flexible and easy to work with and provide a level of service that has proven to be excellent by the progress our students have made."*

**- Tree of Life- Polaris**

*"Thank you very much for all your time today. We really appreciate all your patience with our little ones. You both did a great job screening the children. We are grateful for you."*

**- St. Michael Preschool**

*"Columbus Speech & Hearing is a joy to work with. They do our speech and hearing screenings every year in our preschool and it's always been such a great experience. We love the partnership we have with their organization and plan to continue it for years to come."*
