New Hearing Aid Subscription plan

We are introducing an affordable hearing aid subscription program to make hearing care more affordable for our valued patients.

The upfront expense involved with hearing aid purchases has deterred many people from addressing their hearing problem. Our new subscription program allows you to make simple and affordable monthly payments.

Automatically upgrade to new technology every three years. To help ensure you don't end up wearing old technology, your subscription automatically upgrades your hearing aids to state-of-the-art technology every three years.

Enjoy peace of mind knowing you won't have any repair or service charges to worry about. At no extra charge, your subscription includes a comprehensive hearing aid warranty for the life of the plan.

If you need more information about these programs to determine which one is best for your needs, don't hesitate to talk to your knowledgeable hearing care provider at Columbus Speech and Hearing about your hearing aid financing options.

Talk Tips To Go: Home Resources

Asking kids to do extra work from home can be a struggle but essential for continuing progress. [Here are some resources to help make practicing at home fun.](#)

Successful CSH Events of 2021

14th Annual Golf Classic raised \$92,916!

Columbus Speech & Hearing's Great Communicators Golf Classic, held at the Lakes Golf & Country Club on August 9th was a success!

[Visit our website](#) to catch a glimpse of this exceptional event and ways to become involved.

Halloween Hop brought in over \$20,000!

On October 16th, Columbus Speech & Hearing brought back the sensory-friendly Halloween Hop! [Read more](#) about how kids and grown-ups alike had a devilishly good time!

For a full list of all event sponsors, visit our [Halloween Hop website](#).

Kayla Kirk, 2021 recipient of the Walter & Marian English Award

Walter & Marian English Awards are given to individuals who demonstrate a strong commitment to the field of human services through the provision of direct services to individuals and/or families. The Award is a grant that is designated for the recipient to use for professional development.

[Kayla](#) plans to utilize the Award money to attend the annual American Academy of Audiology (AAA) conference. This conference is an opportunity for the top clinical providers, educational instructors, and researchers to get together to learn and share some of the most recent evidence and case studies. Kayla also plans to utilize the funds to attend the Ohio state conference. The Ohio Academy of Audiology (OAC) offers continuing education and training sessions for the audiologists of Ohio, and attracts well-known national and international professionals.

Congratulations Kayla!

November Sign of the Month: Thank you!
