

JOB OPENING:

Speech Language Pathologist

Are you a positive and creative problem solver? Are you looking for an opportunity to learn and work hard on the job? Do you enjoy a collaborative, forward-thinking work environment? We want you on our team!

Columbus Speech & Hearing Center has an immediate opening for a full-time Speech Language Pathologist. This is a Monday through Friday position requiring early evening hours.

RESPONSIBILITIES AND AUTHORITIES

- Manage clinical caseload for all assigned clients. Clinical responsibilities include completing screenings, evaluations, treatment and/or consultative recommendations, generating all necessary client documentation, providing volunteer training/supervision if indicated, and meeting the high standards of the Center as described in our mission, vision, and core values.
- Provide services at the Main Center, contract sites, community-based preschools, and/or community-Follow all policies and procedures of the Center as outlined in the Center and departmental manuals (ex. meeting deadlines for documentation, adhering to attendance standards, adhering to the dress code, etc.).
- Complete special assignments, as requested (ex. sub for group programs, serve on committees; provide in-service trainings to peers, etc.).
- Work with the Director of Speech Services to determine a work schedule that meets the needs of the Center.
- Attend weekly Department Staff Meetings and monthly Center Staff Meetings, unless excused by the Director of Speech Services.
- Create and meet annual goals as a part of the performance review process, including meeting department productivity standards.

EDUCATION, EXPERIENCE AND SPECIAL ATTRIBUTES

- Master's degree in speech/language pathology.
- Hold the Certificate of Clinical Competence awarded by the American Speech-Language-Hearing Association.
- Hold or be actively acquiring a license in speech pathology from the State of Ohio.
- Hold license in speech pathology from the Ohio Department of Education, if necessary.
- Meet the health standards of the Ohio Department of Health, if required as a part of a specific clinical assignment (ex. preschool, school contract).
- Physical requirements: must be able to lift up to 30 pounds, must be able to sit on the floor to interact with young children for extended periods of time, and must be able to move efficiently and quickly from one position to another.
