Thank You for Choosing Columbus Speech & Hearing

Helping your hearing stay as healthy as possible is our top priority. We're thrilled to have you be part of our family of patients!

Did You Know? Columbus Speech & Hearing is a nonprofit organization. For over 100 years, Columbus Speech & Hearing has been the leading nonprofit organization serving the communication needs of Central Ohio and surrounding communities.

Each year, we care for more than 8,000 Central Ohio children and adults, including:

- Children with speech delays and/or hearing loss
- Low-income seniors in need of hearing aids
- Teens and adults with developmental delays
- Individuals with the combined loss of both vision and hearing who need help navigating their communities

As a nonprofit organization, we serve all individuals who need us, regardless of their ability to pay, because we believe that the ability to communicate and connect is vital to health and well-being.
